República Oriental del Uruguay

Offer to Purchase Bonds for Cash

This offer (the "Offer") to purchase for cash the outstanding Bonds of the Republic of Uruguay ("Uruguay") set forth in the table below (collectively, the "Old Bonds" and each Old Bond, a "series" of Old Bonds) is made on the terms and subject to the conditions set forth in this Offer (the "Offer Document"), including the offering (but not the closing) of a new Global Bond of Uruguay due 2027 (the "New Bonds") in an amount, with pricing and on terms and conditions acceptable to Uruguay to be priced on the date hereof (the "New Bonds Offering"). Uruguay will determine in its sole discretion the aggregate Purchase Price (as defined below) to be paid for Old Bonds to be acquired in the Offer (the "Maximum Purchase Amount"). The New Bonds Offering will be made solely by means of a prospectus relating to that offering, and this Offer Document does not constitute an offer to sell or the solicitation of an order to buy any New Bonds. The Offer is not conditioned upon any minimum participation of any series of Old Bonds or on the closing of the New Bonds Offering, but is conditioned on the pricing of the New Bonds and upon the underwriting agreement relating to the New Bonds Offering and the dealer manager agreement relating to this Offer (the "Dealer Manager Agreement") not being terminated prior to or at the time of the settlement of the Offer. The aggregate principal amount of Old Bonds outstanding as of Friday, October 16, 2015 is US\$2,789,417,559.

The Billing and Delivering Bank (as defined herein) will pay a purchase price per US\$1,000 principal amount of Old Bonds of each series that are accepted pursuant to the Offer equal to the fixed price indicated in the table below (the "Purchase Price"), in each case together with Accrued Interest (as defined herein). **Only the Billing and Delivering Bank will be liable for the payment of the Purchase Price and Accrued Interest for Old Bonds validly tendered and accepted. Uruguay will not be liable under any circumstances for the payment of the Purchase Price and Accrued Interest for any Old Bonds tendered in the Offer by any holder.** Tender Orders that are not for Permitted Tender Amounts (as defined herein) will not be accepted.

Tender Orders made by holders who have submitted an equivalent-sized Indication of Interest (as defined herein) for the New Bonds prior to the determination of the pricing terms for the New Bonds Offering will be accepted before any other Tender Orders.

Prior to 8:00 a.m., New York time, on Tuesday, October 20, 2015, or as soon as possible thereafter, Uruguay expects (i) to instruct the Billing and Delivering Bank to accept, subject to proration and other terms and conditions described herein, valid Preferred Tenders (as defined herein) and valid Non-Preferred Tenders (as defined herein) and (ii) to announce the Maximum Purchase Amount, the aggregate principal amount of Preferred Tenders and Non-Preferred Tenders of each series of Old Bonds that has been accepted, and whether any Preferred Tenders and Non-Preferred Tenders will be prorated.

THE OFFER WILL COMMENCE AT 8:00 A.M., NEW YORK TIME, ON MONDAY, OCTOBER 19, 2015 AND, UNLESS EXTENDED OR EARLIER TERMINATED, EXPIRE AT 4:00 P.M., NEW YORK TIME ON MONDAY, OCTOBER 19, 2015. SEE "THE OFFER – TENDER OFFER PROCEDURES".

You may place Tender Orders for your Old Bonds through any of the Dealer Managers (as defined herein) only. You will NOT be able to submit tenders through Euroclear Bank S.A./N.V., as operator of the Euroclear System ("Euroclear"), Clearstream Banking, société anonyme, Luxembourg ("Clearstream"), or the Depository Trust Company ("DTC") systems. HSBC Securities (USA) Inc., as the billing and delivering bank (in such capacity, the "Billing and Delivering Bank"), will consolidate all Tender Orders and accept Old Bonds for purchase pursuant to the Offer in such amounts as Uruguay shall determine. Old Bonds accepted for purchase will be settled on a delivery versus payment basis solely with the Billing and Delivering Bank on the Settlement Date (as defined herein), in accordance with customary brokerage practices for corporate fixed income securities.

If you hold Old Bonds through DTC, they must be delivered to any of the Dealer Managers for settlement no later than 3:00 p.m., New York time, on the Settlement Date. If you hold Bonds through Euroclear or Clearstream, the latest process you can use to deliver your Bonds to the Billing and Delivering Bank is the overnight process, one day prior to the Settlement Date; you may not use the optional daylight process. Failure to deliver Old Bonds on time may result in the cancellation of your Tender Order. This Offer will not be eligible for the DTC Automated Tender Offer Program.

CERTAIN OFFER MATTERS

Any questions regarding the Offer may be directed to Global Bondholder Services Corporation, the information agent (the “Information Agent”), at the telephone numbers provided on the back cover of this Offer Document. Holders may also contact Citigroup Global Markets Inc. (“Citigroup”), HSBC Securities (USA) Inc. (“HSBC”) or Itau BBA USA Securities, Inc. (“Itaú BBA”) (collectively, the “Dealer Managers”) at the telephone numbers provided on the back cover of this Offer Document for information concerning the Offer.

None of Uruguay, the Dealer Managers or the Billing and Delivering Bank will pay any commissions or other remuneration to any broker, dealer, salesman or other person for soliciting tenders of Old Bonds. Tendering holders will not be obligated to pay the fees of the Dealer Managers, the Billing and Delivering Bank and the Information Agent; however, such holders may be required to pay a fee or commission to their broker or intermediary through whom the Old Bonds are tendered.

Uruguay is responsible only for the information provided or incorporated by reference in this document. Uruguay, the Dealer Managers and the Billing and Delivering Bank have not authorized anyone else to provide you with different information.

No dealer, salesperson or other person has been authorized to give any information or to make any representations other than those contained in this Offer Document and, if given or made, such information or representations must not be relied upon as having been authorized by Uruguay, the Dealer Managers, the Billing and Delivering Bank or the Information Agent and none of Uruguay, the Dealer Managers, the Billing and Delivering Bank or the Information Agent takes any responsibility for information that others may give to you.

Uruguay is furnishing this Offer Document solely for use by current holders of Old Bonds in the context of the Offer. Uruguay confirms that:

- the information contained in this Offer Document is true and correct in all material respects and is not misleading;
- it has not omitted other facts the omission of which makes this Offer Document as a whole misleading; and
- it accepts responsibility for the information it has provided in this Offer Document.

Before you decide to participate in the Offer, you should read this Offer Document together with the documents incorporated by reference herein.

The information contained in this Offer Document and the information incorporated by reference herein is current only as of its respective date or on other dates which are specified in those documents. Neither the delivery of this Offer Document nor any purchase made hereunder shall, under any circumstances, create any implication that the information in this Offer Document or the information incorporated by reference herein is correct as of any time subsequent to the date hereof or thereof or other dates which are specified herein or therein, or that there has been no change in the affairs of Uruguay since such dates.

Only the Billing and Delivering Bank will be liable for the payment of the Purchase Price and Accrued Interest for Old Bonds validly tendered and accepted. Uruguay will not be liable under any circumstances for the payment of the Purchase Price and Accrued Interest for any Old Bonds tendered in the Offer by any holder. Uruguay, however, has agreed to apply a portion of the net proceeds of the New Bonds Offering to purchase any Old Bonds tendered and accepted in the Offer from the Billing and Delivering Bank upon the closing of the New Bonds Offering. Uruguay intends to cancel the Old Bonds it acquires from the Billing and Delivering Bank following the completion of the Offer. Accordingly, upon completion of the sale of the Old Bonds to Uruguay, the aggregate principal amount of Old Bonds that otherwise might trade in the market will be reduced, which could adversely affect the liquidity and market value of the remaining Old Bonds that are not purchased in the Offer.

None of Uruguay, the Dealer Managers, the Billing and Delivering Bank or the Information Agent has expressed any opinion as to whether the terms of the Offer are fair. None of Uruguay, the Dealer Managers, the Billing and Delivering Bank or the Information Agent makes any recommendation that you tender your Old Bonds or refrain from doing so pursuant to the Offer, and no one has been authorized by Uruguay, the Dealer Managers, the Billing and Delivering Bank or the Information Agent to make any such recommendation. You must make your own decision as to whether to tender Old Bonds or refrain from doing so, and, if so, the principal amount of Old Bonds to tender.

You must comply with all laws that apply to you in any place in which you possess this Offer Document. You must also obtain any consents or approvals that you need in order to accept this Offer and tender Old Bonds. None of Uruguay, the Dealer Managers, the Billing and Delivering Bank or the Information Agent is responsible for your compliance with these legal requirements. It is important that you read “Jurisdictional Restrictions” beginning on page 20 of this document. The applicable provisions of the Financial Services and Markets Act 2000 must be complied with in respect of anything done in relation to the Offer in, from, or otherwise involving, the United Kingdom.

Uruguay has prepared this Offer Document and is solely responsible for its contents. You are responsible for making your own examination of Uruguay and your own assessment of the merits and risks of participating in the Offer. By tendering your Old Bonds, you will be deemed to have acknowledged that:

- you have reviewed this Offer Document;
- you have had an opportunity to request and review any additional information that you may need; and
- the Dealer Managers and the Billing and Delivering Bank are not responsible for, and are not making any representation to you concerning, the accuracy or completeness of this Offer Document.

Uruguay, the Dealer Managers and the Billing and Delivering Bank are not providing you with any legal, business, tax or other advice in this Offer Document. You should consult with your own advisors as needed to assist you in making your investment decision and to advise you whether you are legally permitted to accept the Offer and submit tenders of Old Bonds.

As used in this Offer Document, “Business Day” means any day other than a Saturday, a Sunday or a legal holiday or a day on which banking institutions or trust companies are authorized or obligated by law to close in New York City. References herein to “US\$,” “U.S. dollars” or “dollars” are to United States dollars.

Jurisdiction; Enforcement of Judgments

Uruguay is a foreign sovereign state. Consequently, it may be difficult for you or a trustee to obtain or enforce judgments of courts in the United States or elsewhere against Uruguay.

Uruguay reserves the right to plead sovereign immunity under the United States Foreign Sovereign Immunities Act of 1976 (the “Foreign Sovereign Immunities Act”) with respect to actions brought against it under United States federal securities laws or any state securities laws, and Uruguay’s appointment of the process agent has not extended to such actions. Without a waiver of immunity by Uruguay with respect to such actions, it would be impossible to obtain a United States judgment in an action against Uruguay unless a court were to determine that Uruguay is not entitled under the Foreign Sovereign Immunities Act to sovereign immunity with respect to that action. However, even if a United States judgment could be obtained in an action under the Foreign Sovereign Immunities Act, it may not be possible to enforce in Uruguay a judgment based on that United States judgment.

A judgment obtained against Uruguay in a foreign court can be enforced in the courts of Uruguay, if such judgment is ratified by the Uruguayan Supreme Court. Based on existing law, the Uruguayan Supreme Court will ratify such a judgment:

(a) if there exists a treaty with the country where such judgment was issued (no such treaty exists at the present time between Uruguay and the United States); or

(b) if such judgment:

- complies with all formalities required for the enforceability thereof under the laws of the country where it was issued;
- has been translated into Spanish, together with related documents, and satisfies the authentication requirements of Uruguayan law;
- was issued by a competent court after valid service of process upon the parties to the action;
- was issued after an opportunity was given to the defendant to present its defense;
- is not subject to further appeal; and
- is not against Uruguayan public policy.

Forward-Looking Statements

This Offer Document contains forward-looking statements. Forward-looking statements are statements that are not historical facts, including statements about Uruguay's beliefs and expectations. These statements are based on current plans, estimates and projections, and therefore you should not place undue reliance on them. Forward-looking statements speak only as of the date they are made. Uruguay undertakes no obligation to update any of them in light of new information or future events. Forward-looking statements involve inherent risks and uncertainties. Uruguay cautions you that a number of important factors could cause actual results to differ materially from those contained in any forward-looking statement. The information contained in this Offer Document identifies important factors that could cause such differences. Such factors include, but are not limited to:

- adverse external factors, such as changes in international prices, high international interest rates and recession or low economic growth in Uruguay's trading partners. Changes in international prices and high international interest rates could increase Uruguay's current account deficit and budgetary expenditures. Recession or low economic growth in Uruguay's trading partners could decrease exports (including manufactured goods) from Uruguay, reduce tourism to Uruguay, induce a contraction of the Uruguayan economy and, indirectly, reduce tax revenues and other public sector revenues and adversely affect the country's fiscal accounts;
- adverse domestic factors, such as a decline in foreign direct and portfolio investment, increases in domestic inflation, high domestic interest rates and exchange rate volatility and a further deterioration in the health of the domestic banking system. These factors could lead to lower economic growth or a decrease in Uruguay's international reserves; and
- other adverse factors, such as climatic or political events and international hostilities.

Governing Law

This Offer and any tenders shall be governed by and interpreted in accordance with the laws of the State of New York, United States of America.

CERTAIN LEGAL RESTRICTIONS

The distribution of materials relating to this Offer Document, and the transactions contemplated by the Offer, may be restricted by law in certain jurisdictions. The Offer is made only in those jurisdictions where it is legal to do so. The Offer is void in all jurisdictions where it is prohibited. If materials relating to the Offer come into your possession, you are required to inform yourself of and to observe all of these restrictions. The materials relating to the Offer do not constitute, and may not be used in connection with, an offer or solicitation in any place where offers or solicitations are not permitted by law. See “—Jurisdictional Restrictions.”

SUMMARY

This summary highlights information contained elsewhere in this Offer Document. It is not complete and may not contain all the information that you should consider before tendering Old Bonds for cash. You should read the entire Offer Document.

The Offer

General This Offer is to purchase Old Bonds for cash such that the aggregate Purchase Price to be paid for the Old Bonds is equal to the Maximum Purchase Amount. The Maximum Purchase Amount will be determined by Uruguay in its sole discretion and will be announced prior to 8:00 a.m. on Tuesday, October 20, 2015, New York time, or as soon as possible thereafter. The Offer is made subject to the terms and conditions set forth in this Offer Document, including the pricing of the New Bonds Offering in an amount, with pricing and on terms and conditions acceptable to Uruguay, and upon the underwriting agreement for the New Bonds Offering and the Dealer Manager Agreement relating to this Offer not having been terminated prior to or at the time of the settlement of the Offer. The Offer is not conditioned upon any minimum participation of any series of Old Bonds or on the closing of the New Bonds Offering. For a more detailed discussion, see “The Offer.”

Resale of Accepted Old Bonds to Uruguay Uruguay has agreed to apply a portion of the net proceeds of the New Bonds Offering to purchase the Old Bonds accepted pursuant to the Offer from the Billing and Delivering Bank at the applicable Purchase Price plus accrued interest. Such purchase by Uruguay is expected to occur on the date of issuance of the New Bonds.

The New Bonds Offering will be made solely by means of a prospectus relating to that offering, and this Offer Document does not constitute an offer to sell or the solicitation of an order to buy the New Bonds.

Purchase Price of Old Bonds The Purchase Price to be paid by the Billing and Delivering Bank per US\$1,000 principal amount of Old Bonds of each series that are accepted pursuant to the Offer will be the fixed price indicated in the table on the cover of this Offer Document.

Accrued Interest In addition to the Purchase Price, holders whose Old Bonds are accepted for purchase by Uruguay will also receive accrued and unpaid interest with respect to their tendered Old Bonds from, and including, the last interest payment date for such Old Bonds to, but not including, the Settlement Date (“Accrued Interest”). Accrued Interest will be payable in cash on the Settlement Date.

Tender Period The Offer will commence at 8:00 a.m., New York time, Monday, October 19, 2015, and expire at 4:00 p.m. on Monday, October 19, 2015 unless extended or earlier terminated by Uruguay in its sole discretion.

Submitting Tenders and Tender Orders Tender Orders must be submitted to a Dealer Manager. Tender Orders by a holder of each series of Old Bonds must be in principal

amounts of at least US\$100,000 and integral multiples of US\$1.00 or US\$1,000 in excess thereof, as the case may be depending on the integral multiple specified for the Minimum Denominations (as defined below) of each series of Old Bonds (“Permitted Tender Amounts”).

If you have an account with a Dealer Manager and desire to tender your Old Bonds, you should call your regular contact at the Dealer Manager at any time during the Tender Period (which will commence at 8:00 a.m., New York time, on Monday, October 19, 2015, and expire at 4:00 p.m. on Monday, October 19, 2015 unless extended or earlier terminated by Uruguay in its sole discretion). You will not be required to pay any fees or commission to a Dealer Manager in connection with a tender of Old Bonds.

If you do not have an account with a Dealer Manager, and desire to tender your Old Bonds, you may do so through any broker, dealer, commercial bank, trust company, other financial institution or other custodian, that you customarily use. Your broker must contact one of the Dealer Managers at its phone number set forth on the inside back cover of this Offer Document, at any time during the Tender Period (which shall commence at 8:00 a.m., New York time, on Monday, October 19, 2015, and expire at 4:00 p.m. on Monday, October 19, 2015 unless extended or earlier terminated by Uruguay in its sole discretion). You may be required to pay a fee or commission to your broker or intermediary through whom Old Bonds are tendered.

You must submit Tender Orders to one Dealer Manager only. Do not tender any Old Bonds more than once.

There is no letter of transmittal for the Offer.

You will NOT be able to submit tenders through the Euroclear, Clearstream or DTC systems.

Do not send Old Bonds to Uruguay.

Withdrawals Holders of the Old Bonds will not have withdrawal rights with respect to the Offer.

New Bonds Price Determination Time..... The pricing terms of the New Bonds will be determined by Uruguay at the New Bonds Pricing Time, unless extended by Uruguay. Uruguay will announce the pricing terms for the New Bonds on or about 4:00 p.m., New York time, on Monday, October 19, 2015.

Announcement of Accepted Preferred Tenders and Non-Preferred Tenders Uruguay will announce the aggregate principal amount of Preferred Tenders and, if any, Non-Preferred Tenders of each series of Old Bonds that has been accepted and whether any proration of such Preferred Tenders or Non-Preferred Tenders has occurred prior to 8:00 a.m., New York time, on Tuesday, October 20, 2015 or as soon as possible thereafter, by issuing a press release to an international news service.

Acceptance of Tenders Uruguay will instruct the Billing and Delivering Bank to accept valid tenders of Old Bonds for purchase in such amounts as Uruguay shall

determine (subject to the terms and conditions of the Offer, including potential proration). Old Bonds will be accepted for purchase at such time as the Billing and Delivering Bank and a tendering holder (or, if such tendering holder does not have an account with the Billing and Delivering Bank, through a Dealer Manager) execute a transaction for the sale of Old Bonds in accordance with customary brokerage practices for corporate fixed income securities (i.e., a “desk to desk” or “broker to broker” trade). **Tender Orders that are accepted will be settled solely by the Billing and Delivering Bank on the Settlement Date, subject to the terms and conditions of the Offer.** Each of Uruguay and the Billing and Delivering Bank reserves the right, in the sole discretion of each of them, not to accept any tenders for any reason.

All Old Bonds that are tendered pursuant to Tender Orders placed through a Dealer Manager and are accepted by Uruguay will be purchased by the Billing and Delivering Bank directly or, if the tendering holder does not have an account with the Billing and Delivering Bank, through the respective Dealer Manager, in such amounts as Uruguay shall determine. **Only the Billing and Delivering Bank will be liable for the payment of the Purchase Price and Accrued Interest for Old Bonds validly tendered and accepted. Uruguay will not be liable under any circumstances for the payment of the Purchase Price and Accrued Interest for any Old Bonds tendered in the Offer by any holder.** The Billing and Delivering Bank shall not be liable for payments to any holder of Old Bonds validly tendered and accepted for purchase if such holder fails to deliver such Old Bonds on or prior to the settlement of the Offer on the Settlement Date as described herein.

Old Bonds	Minimum Denominations
2017 Bonds	US\$100,000 and integral multiples of US\$1,000 in excess thereof.
2022 Bonds	US\$100,000 and integral multiples of US\$1,000 in excess thereof.
2024 Bonds	US\$1.00 and integral multiples of US\$1.00 in excess thereof.
2025 Bonds	US\$1.00 and integral multiples of US\$1.00 in excess thereof.

To avoid acceptance and purchases of Old Bonds in principal amounts other than Minimum Denominations and to ensure that Old Bonds subject to proration are returned in Minimum Denominations, if necessary, appropriate adjustments will be made downward to the nearest Minimum Denominations, with respect to each Tender Order accepted for purchase. Holders who tender less than all of their Old Bonds, must continue to hold Old Bonds in Minimum Denominations.

Proration Tender Orders may be subject to proration. Tender Orders made by

holders who have submitted an Indication of Interest for the New Bonds (each, a “New Requestor”) prior to the New Bonds Pricing Time will be accepted up to each New Requestor’s Tender Preference Amount (as defined below), before any Tender Orders are accepted from holders who are not New Requestors.

“Indication of Interest” means the submission to the underwriters of the New Bonds Offering, during the bookbuilding process for the New Bonds Offering, of a firm bid for a principal amount certain of New Bonds at an indicated price.

With respect to each series of Old Bonds, the “Tender Preference Amount” for each New Requestor means the Individual Gross Proceeds (as defined below) of the New Bonds specified in an Indication of Interest of such New Requestor, as allocated among each series of Old Bonds *pro rata* based upon the relative total Purchase Price of the Old Bonds of each series that are tendered by such New Requestor. Accrued interest is paid in cash.

Each New Requestor tendering Old Bonds of any series shall be deemed to represent to Uruguay, the Dealer Managers and the Billing and Delivering Bank that such New Requestor held, from the time of the Tender Order through the Expiration Time, at least the amount of Old Bonds of each such series as are being tendered.

“Individual Gross Proceeds” means the issue price of the New Bonds multiplied by the principal amount thereof for each New Requestor.

With respect to each series of Old Bonds, “Preferred Tenders” means the Tender Orders of each New Requestor that are submitted prior to the New Bonds Pricing Time, up to an amount of Tender Orders having an aggregate Purchase Price equal to such New Requestor’s Tender Preference Amount with respect to such series.

With respect to each series of Old Bonds, “Non-Preferred Tenders” means the Tender Orders which are not Preferred Tenders, including any Tender Orders submitted by holders who are not New Requestors or any Tender Orders submitted after the New Bonds Pricing Time and before the Expiration Time (to the extent the New Bonds Pricing Time is prior to the Expiration Time).

If the aggregate Purchase Price of all Tender Orders exceeds the Maximum Purchase Amount, the Tender Orders shall be subject to proration on the following basis:

1. If the aggregate Purchase Price of all Preferred Tenders exceeds the Maximum Purchase Amount, then each New Requestor shall have its Preferred Tenders for each series of Old Bonds prorated down, proportionate to the relative size of such New Requestor’s Preferred Tenders of that series of Old Bonds to all Preferred Tenders, so that the aggregate Purchase Price of all Preferred Tenders equals the Maximum Purchase Amount. In such a case, no Non-Preferred Tenders will be accepted.

2. If the aggregate Purchase Price of all Preferred Tenders is less than or equal to the Maximum Purchase Amount then (i) all Preferred Tenders shall be accepted and (ii) each tendering holder shall have its Non-Preferred Tenders for each series of Old Bonds prorated down, proportionate to the relative size of each such holder's Non-Preferred Tenders of that series of Old Bonds to all Non-Preferred Tenders.

Subject to the foregoing, Uruguay may, at its sole discretion, instruct the Billing and Delivering Bank to adjust the foregoing so as to prorate differentially to each respective series of Old Bonds (prioritizing one or more such series).

To the extent proration occurs in the Offer, the Billing and Delivering Bank will accept Old Bonds with appropriate adjustments to avoid purchase of the Old Bonds in principal amounts other than Minimum Denominations.

All Old Bonds not accepted as a result of proration will be rejected and not purchased pursuant to the Offer.

Settlement..... Subject to the pricing of the New Bonds Offering and the other conditions set forth herein, the Billing and Delivering Bank will purchase directly or, if the tendering holder does not have an account with the Billing and Delivering Bank, through the respective Dealer Manager, validly tendered and accepted Old Bonds in such amounts determined as described herein, on a delivery versus payment method on Monday, October 26, 2015, subject to change without notice (the "Settlement Date"). **Only the Billing and Delivering Bank will be liable for the payment of the Purchase Price and Accrued Interest for Old Bonds validly tendered and accepted. Uruguay will not be liable under any circumstances for the payment of the Purchase Price and Accrued Interest for any Old Bonds tendered in the Offer by any holder.**

If you hold Old Bonds through DTC, they must be delivered to any of the Dealer Managers for settlement no later than 3:00 p.m., New York time, on the Settlement Date. If you hold Old Bonds through Euroclear or Clearstream, the latest process you can use to deliver your Old Bonds to the Billing and Delivering Bank is the overnight process, one day prior to the Settlement Date; you may not use the optional daylight process.

Failure to deliver Old Bonds on time may result (i) in the cancellation of your Tender Order and in you becoming liable for any damages resulting from that failure, and (ii) in the case of Preferred Tenders, cancellation of any allocation of New Bonds in the New Bonds Offering in respect of your related Indication of Interest.

Conditions to the Offer..... Uruguay reserves the right, in its sole discretion, to instruct the Billing and Delivering Bank not to accept any Tender Orders, or to accept Tender Orders as to one or more series of Old Bonds but not other series, for any reason. In addition, notwithstanding any other provisions of the Offer, the Offer is conditioned upon there not

having been threatened, instituted or pending any action or proceeding before any court or governmental, regulatory or administrative body that: (1) makes or seeks to make illegal the purchase of Old Bonds pursuant to the Offer; (2) would or might result in a delay in, or restrict, the ability of Uruguay to purchase the Old Bonds from the Billing and Delivering Bank or issue the New Bonds; or (3) imposes or seeks to impose limitations on the ability of Uruguay to issue and/or price the New Bonds in an amount, with pricing and on terms and conditions acceptable to Uruguay.

The Offer is also conditioned upon the pricing of the New Bonds Offering, including in an amount, with pricing and on terms and conditions acceptable to Uruguay, and upon the underwriting agreement for the New Bonds Offering and the Dealer Manager Agreement relating to this Offer not having been terminated prior to or at the time of the settlement of the Offer. Each of the foregoing conditions is for the sole benefit of Uruguay and may only be waived by Uruguay, in whole or in part, at any time and from time to time, in its discretion except that Uruguay can only waive the condition relating to the termination of the underwriting agreement for the New Bonds Offering and the termination of the Dealer Manager Agreement relating to this Offer with the prior consent of the Billing and Delivering Bank. Any determination by Uruguay concerning the conditions set forth above (including whether or not any such condition has been satisfied or waived, except as in the case of the termination of the underwriting agreement for the New Bonds Offering and the Dealer Manager Agreement relating to this Offer) will be final and binding upon the Billing and Delivering Bank and all other parties. The Billing and Delivering Bank will not be liable for the payment for any Old Bonds pursuant to the Offer if the Dealer Manager Agreement relating to this Offer or the underwriting agreement for the New Bonds Offering shall have been terminated prior to or at the time of the settlement of the Offer.

Certain Deemed Representations,

- Warranties and Undertakings** If you tender pursuant to the terms of the Offer, you will be deemed to have made certain acknowledgments, representations, warranties and undertakings to Uruguay, the Dealer Managers, the Billing and Delivering Bank and the Information Agent. See “Holders’ Representations, Warranties and Undertakings.”
- Taxation** Please see “Taxation” for important information regarding the possible tax consequences to holders who offer to tender Old Bonds. You are also urged to consult your own professional advisors regarding the possible tax consequences under the laws of jurisdictions that apply to you or to the sale of your Old Bonds.
- Jurisdictions** **The Offer is made only in those jurisdictions where it is legal to do so.** See “Jurisdictional Restrictions.”
- Risk Factors** The Offer involves material risks. Please see “Risk Factors” for more information.
- Announcements** Uruguay will make (or cause to be made) all announcements regarding the Offer to PRNewswire (or another appropriate

international news service).

See “The Offer—Communications.”

RISK FACTORS

In deciding whether to participate in the Offer, each holder should consider carefully, in addition to the other information contained in this document, the following:

Limited Trading Market; Increased Volatility. To the extent that Old Bonds are purchased by Uruguay from the Billing and Delivering Bank after completion of the Offer and closing of the New Bonds Offering, the trading markets for the Old Bonds that remain outstanding will become more limited. A debt security with a smaller outstanding principal amount available for trading (a smaller float) may command a lower price than would a comparable debt security with a greater float. Therefore, the market price for Old Bonds not purchased may be affected adversely to the extent the amount of Old Bonds purchased by Uruguay reduces the float of the Old Bonds. On the other hand, if Uruguay's purchase of the Old Bonds is viewed by the market as significant positive news due to its potential beneficial impact on Uruguay's external liabilities, the price of the Old Bonds could rise following completion of the Offer to a level greater than the applicable Purchase Price. The reduced float may also make the trading price of the Old Bonds more volatile. The extent of the public market for the Old Bonds following consummation of the Offer will depend upon the number of holders that remain at such time, the interest in maintaining markets in the Old Bonds on the part of securities firms and other factors. There can be no assurance that any trading market will exist for the Old Bonds following the consummation of the Offer.

Other Purchases or Redemption of Old Bonds. Whether or not the Offer is consummated, Uruguay may acquire, from time to time following completion or cancellation of the Offer, Old Bonds other than pursuant to the Offer, including through open market purchases, privately negotiated transactions, tender offers, exchange offers or otherwise (and may redeem or defease the Old Bonds in accordance with the Old Bonds and the indentures under which they were issued), upon such terms and at such prices as they may determine, which may be more or less than the prices to be paid pursuant to the Offer and could be for cash or other consideration.

Enforcement of Civil Liabilities; Waiver of Sovereign Immunity. Uruguay is a foreign sovereign state. Consequently, it may be difficult for or a trustee you to obtain or enforce judgments of courts in the United States or elsewhere against Uruguay.

You must take certain actions with respect to settlement of tenders made pursuant to the Offer. If all or any amounts of your Old Bonds are accepted for purchase pursuant to the Offer, you will need to satisfy the following conditions:

- ensure that your Old Bonds are delivered to the Billing and Delivering Bank;
- if you hold Old Bonds through DTC, they must be delivered to any of the Dealer Managers no later than 3:00 p.m., New York time, on the Settlement Date; and
- if you hold Bonds through Euroclear or Clearstream, the latest process you can use to deliver your Bonds to the Billing and Delivering Bank is the overnight process, one day prior to the Settlement Date; you may not use the optional daylight process.

If you hold Old Bonds through a broker, it is your responsibility to ensure that your broker is aware of the foregoing restrictions. You will not be able to submit tenders through Euroclear, Clearstream or DTC systems. Failure to adhere to the foregoing conditions may result in the cancellation of your tender and in you becoming liable for any damages resulting from that failure.

Uruguay shall not be liable for any payments under the Offer. Only the Billing and Delivering Bank will be liable for the payment of the Purchase Price and Accrued Interest for Old Bonds validly tendered and accepted. Uruguay will not be liable under any circumstances for the payment of the Purchase Price and Accrued Interest for any Old Bonds tendered in the Offer by any holder. The Billing and Delivering Bank shall not be liable for payments to any holder of Old Bonds validly tendered and accepted for purchase if such holder fails to deliver such Old Bonds on or prior to the settlement of the Offer on the Settlement Date as described herein. The Billing and Delivering Bank shall only have the obligation to sell to Uruguay the Old Bonds validly tendered and accepted for purchase that the Billing and Delivering Bank has actually received pursuant to the Offer on the Settlement Date.

The Billing and Delivering Bank will not be liable for the payment of the Old Bonds if the Dealer Manager Agreement relating to this Offer or the underwriting agreement for the New Bonds Offering shall have been terminated prior to or at the time of the settlement of the Offer.

Tender Orders, or Portions Thereof may be Rejected due to Proration or otherwise. Tender Orders may be subject to proration, on the basis described under “The Offer – Tender Procedures – Proration.” If there is proration, Preferred Tenders will be accepted before any Non-Preferred Tenders are accepted. Tender Orders may be rejected in whole or in part as a result of proration. In addition, Uruguay reserves the right, in its sole discretion, to instruct the Billing and Delivering Bank not to accept any Tender Orders, or to accept Tender Orders as to one or more series of Old Bonds but not other series, for any reason.

Reinvestment Risk. If you tender Old Bonds in the Offer and submit an Indication of Interest to the underwriters of the New Bonds Offering expecting to receive New Bonds, in the event that the New Bonds Offering is terminated for any reason after your Old Bonds have been purchased by the Billing and Delivering Bank on the Settlement Date, you will not receive New Bonds because the settlement of the New Bonds Offering (expected to be one business day after the Settlement Date) is not a condition of the Offer. If you have received cash for your Old Bonds purchased in the Offer and the New Bonds Offering is subsequently terminated, you may not be able to reinvest such cash at a comparable return for a similar level of risk.

THE OFFER

Introduction

This Offer is to purchase Old Bonds for cash such that the aggregate Purchase Price to be paid for the Old Bonds is equal to the Maximum Purchase Amount. The Maximum Purchase Amount will be determined by Uruguay in its sole discretion and will be announced prior to 8:00 a.m. on Tuesday, October 20, 2015, New York time, or as soon as possible thereafter. The Offer is made subject to the terms and conditions set forth in this Offer Document, including the pricing of the New Bonds Offering in an amount, with pricing and on terms and conditions acceptable to Uruguay and, the upon underwriting agreement for the New Bonds Offering and the Dealer Manager Agreement relating to this Offer not having been terminated prior to or at the time of the settlement of the Offer. The Offer is not conditioned upon any minimum participation of any series of Old Bonds or the closing of the New Bonds Offering. The aggregate principal amount of Old Bonds outstanding as of Friday, October 16, 2015 is US\$2,789,417,559.

Purpose

The Offer is part of a broader program of Uruguay to manage its external liabilities.

Resale of Accepted Old Bonds to Uruguay

Uruguay has agreed to apply a portion of the net proceeds of the New Bonds Offering to purchase the Old Bonds accepted pursuant to the Offer from the Billing and Delivering Bank at the applicable Purchase Price plus accrued interest. Such purchase by Uruguay is expected to occur on the date of issuance of the New Bonds. Accordingly, the Offer is conditioned upon the pricing of the New Bonds Offering, including in an amount, with pricing and on terms and conditions acceptable to Uruguay, and upon the underwriting agreement for the New Bonds Offering and the Dealer Manager Agreement relating to this Offer not having been terminated prior to or at the time of the settlement of the Offer. The Offer is not contingent upon the closing of the New Bonds Offering.

The New Bonds Offering will be made solely by means of a prospectus relating to that offering, and this Offer Document does not constitute an offer to sell or the solicitation of an order to buy the New Bonds.

Purchase Price of Old Bonds

The Billing and Delivering Bank will pay a Purchase Price per US\$1,000 principal amount of Old Bonds of each series that are accepted pursuant to the Offer equal to the fixed price indicated in the table on the cover of this Offer Document.

Accrued Interest

In addition to the Purchase Price, holders whose Old Bonds are accepted for purchase by Uruguay will also receive Accrued Interest with respect to their tendered Old Bonds from, and including, the last interest payment date for such Old Bonds to, but not including, the Settlement Date, in each case rounded to the nearest cent (US\$0.01). Accrued Interest will be payable in cash on the Settlement Date.

In the event of any dispute or controversy regarding any amount of Accrued Interest for each Old Bond accepted pursuant to the Offer, the determination of Uruguay will be conclusive and binding, absent manifest error.

New Bonds Price Determination Time

The pricing of the New Bonds will be determined by Uruguay in accordance with standard market practice, at the New Bonds Pricing Time, unless extended by Uruguay. Uruguay will announce the pricing terms for the New Bonds at or around 4:00 p.m., New York time, on Monday, October 19, 2015.

Announcement of Accepted Preferred Tenders and Non-Preferred Tenders

Uruguay will announce the aggregate principal amount of Preferred Tenders or Non-Preferred Tenders of each series of Old Bonds that has been accepted and whether any Preferred Tenders and Non-Preferred Tenders will be prorated prior to 8:00 a.m., New York time, or as soon as possible thereafter, on Tuesday, October 20, 2015 by issuing a press release to an international news service.

No Recommendation

NONE OF URUGUAY, THE DEALER MANAGERS, THE BILLING AND DELIVERING BANK OR THE INFORMATION AGENT MAKES ANY RECOMMENDATION THAT ANY HOLDER TENDER OR REFRAIN FROM TENDERING ALL OR ANY PORTION OF THE PRINCIPAL AMOUNT OF SUCH HOLDER'S OLD BONDS, AND NO ONE HAS BEEN AUTHORIZED BY ANY OF THEM TO MAKE SUCH A RECOMMENDATION. HOLDERS MUST MAKE THEIR OWN DECISIONS WHETHER TO TENDER OLD BONDS, AND, IF SO, THE PRINCIPAL AMOUNT OF OLD BONDS TO TENDER.

Duration of the Offer

The Offer will commence at 8:00 a.m., New York time, on Monday, October 19, 2015, and expire at 4:00 p.m. on Monday, October 19, 2015 (Expiration Time) unless extended or earlier terminated by Uruguay in its sole discretion.

In the event that the Offer is extended or earlier terminated, the term "Expiration Time" shall mean the time and date on which the Offer, as so extended or earlier terminated, shall expire.

Subject to applicable law, Uruguay expressly reserves the right, for any reason and in its sole discretion, to:

- extend the period of time during which the Offer shall remain open at any time and from time to time by giving oral or written notice of such extension to the Dealer Managers, the Billing and Delivering Bank and the Information Agent;
- prospectively terminate or withdraw the Offer at any time; or
- at any time until the first time a tender occurs, amend the terms of such Offer in any respect, and, at any time after the first time a tender occurs, amend the terms of such Offer in a manner Uruguay deems, in its sole discretion, to be advantageous or neutral to all holders of the Old Bonds, whether or not such holders have previously tendered their Old Bonds.

There can be no assurance that Uruguay will exercise its right to extend, terminate or amend the Offer. Please note that the terms of any extension or an amendment of the terms or conditions of the Offer may vary from the terms of the original Offer depending on such factors as prevailing interest rates and the principal amount of Old Bonds previously tendered or otherwise purchased.

Any extension, termination or amendment of the Offer will be followed as promptly as practicable by public announcement thereof. Uruguay shall communicate such public announcement by issuing a press release in accordance with applicable law. See "The Offer—Communications."

Tender Procedures

Procedures for Submitting Tenders Orders

Tender Orders must be submitted to a Dealer Manager. Tender Orders of each series of Old Bonds by a holder must be in principal amounts that are Permitted Tender Amounts (US\$100,000 and integral multiples of US\$1.00 or US\$1,000 in excess thereof, as the case may be depending on the Minimum Denominations of each series of Old Bonds).

If you have an account with a Dealer Manager and desire to tender your Old Bonds, you should call your regular contact at the Dealer Manager at any time during the Tender Period (which will commence at 8:00 a.m., New York time, on Monday, October 19, 2015, and expire at 4:00 p.m., New York time, on Monday, October 19, 2015 unless extended or earlier terminated by Uruguay in its sole discretion). You will not be required to pay any fees or commission to a Dealer Manager in connection with a tender of Old Bonds.

If you do not have an account with a Dealer Manager and desire to tender your Old Bonds, you may do so through any broker, dealer, commercial bank, trust company, other financial institution or other custodian, that you customarily use. Your broker must contact one of the Dealer Managers at its phone number set forth on the inside back cover of this Offer Document, at any time during the Tender Period (which shall commence at 8:00 a.m., New York time, on Monday, October 19, 2015, and expire at 4:00 p.m., New York time, on Monday, October 19, 2015 unless extended or earlier terminated by Uruguay in its sole discretion). You may be required to pay a fee or commission to your broker or intermediary through whom Old Bonds are tendered.

By tendering Old Bonds, you will be deemed to have made certain acknowledgments, representations, warranties and undertakings to Uruguay, the Dealer Managers and the Information Agent. See “Holders’ Representations, Warranties and Undertakings. The Permitted Tender Amounts must be in the applicable Minimum Denominations of the Old Bonds.

You must submit tenders to one Dealer Manager only.

Do not tender any Old Bonds more than once.

There is no letter of transmittal for the Offer.

You will NOT be able to submit tenders through the Euroclear, Clearstream or DTC systems.

You should not send Old Bonds to Uruguay.

Acceptance of Tenders

Uruguay will instruct the Billing and Delivering Bank to accept valid tenders of Old Bonds for purchase in such amounts as Uruguay shall determine (subject to the terms and conditions of the Offer, including potential proration). Old Bonds will be accepted for purchase at such time as the Billing and Delivering Bank and a tendering holder (or, if such tendering holder does not have an account with the Billing and Delivering Bank, through a Dealer Manager) execute a transaction for the sale of Old Bonds in accordance with customary brokerage practices for corporate fixed income securities (i.e., a “desk to desk” or “broker to broker” trade). **Tender Orders that are accepted will be settled solely by the Billing and Delivering Bank on the Settlement Date, subject to the terms and conditions of the Offer.** Each of Uruguay and the Billing and Delivering Bank reserves the right, in the sole discretion of each of them, not to accept any tenders for any reason.

All Old Bonds that are tendered pursuant to Tender Orders placed through a Dealer Manager and are accepted by Uruguay will be purchased by the Billing and Delivering Bank directly or, if the tendering holder does not have an account with the Billing and Delivering Bank, through a Dealer Manager, in such amounts as Uruguay shall determine. **Only the Billing and Delivering Bank will be liable for the payment of the Purchase Price and Accrued Interest for Old Bonds validly tendered and accepted. Uruguay will not be liable under any circumstances for the payment of the Purchase Price and Accrued Interest for any Old Bonds tendered in the Offer by any holder.** The Billing and Delivering Bank shall not be liable for payments to any holder of Old Bonds validly tendered and accepted for purchase if such holder fails to deliver such Old Bonds on or prior to the settlement of the Offer as described herein.

To avoid acceptance and purchases of Old Bonds in principal amounts other than Minimum Denominations and to ensure that Old Bonds subject to proration are returned in Minimum Denominations, if necessary, appropriate adjustments will be made downward to the nearest Minimum Denominations, with respect to each Tender Order accepted for purchase. Holders who tender less than all of their Old Bonds, must continue to hold Old Bonds in Minimum Denominations.

Each of Uruguay and the Billing and Delivering Bank reserves the right, in the sole discretion of each of them, not to accept any tenders for any reason. Old Bonds may be tendered only in Permitted Tender Amounts (US\$100,000 and integral multiples of US\$1.00 or US\$1,000 in excess thereof, as the case may be depending on the Minimum Denominations of each series of Old Bonds).

Proration

Tender Orders may be subject to proration. Tender Orders made by New Requestors (i.e., holders who have submitted an Indication of Interest for the New Bonds) will be accepted up to each New Requestor's Tender Preference Amount before any Tender Orders are accepted from holders who are not New Requestors.

Each New Requestor tendering Old Bonds of any series shall be deemed to represent to Uruguay, the Dealer Managers and the Billing and Delivering Bank that such New Requestor held, from the time of the Tender Order through the Expiration Time, at least the amount of Old Bonds of each such series as are being tendered.

If the aggregate Purchase Price of all Tender Orders exceeds the Maximum Purchase Amount, the Tender Orders shall be subject to proration on the following basis:

- (i) If the aggregate Purchase Price of all Preferred Tenders exceeds the Maximum Purchase Amount, then each New Requestor shall have its Preferred Tenders for each series of Old Bonds prorated down, proportionate to the relative size of such New Requestor's Preferred Tenders of that series of Old Bonds to all Preferred Tenders, so that the aggregate Purchase Price of all Preferred Tenders equals the Maximum Purchase Amount. In such a case, no Non-Preferred Tenders will be accepted.
- (ii) If the aggregate Purchase Price of all Preferred Tenders is less than or equal to the Maximum Purchase Amount then (i) all Preferred Tenders shall be accepted and (ii) each tendering holder shall have its Non-Preferred Tenders for each series of Old Bonds prorated down, proportionate to the relative size of each such holder's Non-Preferred Tenders of that series of Old Bonds to all Non-Preferred Tenders.

Uruguay may, at its sole discretion, adjust the foregoing so as to apply prorationing differentially to each respective series of Old Bonds (prioritizing one or more such series).

To the extent proration occurs in the Offer, the Billing and Delivering Bank will accept Old Bonds with appropriate adjustments to avoid purchase of the Old Bonds in principal amounts other than Minimum Denominations.

All Old Bonds not accepted as a result of such proration will be rejected and not purchased pursuant to the Offer.

Withdrawal Rights

Holders of Old Bonds will not have withdrawal rights with respect to the Offer.

Settlement; Rounding

Subject to the pricing of the New Bonds and the other conditions set forth herein, the Billing and Delivering Bank will purchase directly, or if the tendering holder does not have an account with the Billing and Delivering Bank, through the respective Dealer Manager, validly tendered and accepted Old Bonds in such amounts determined as described herein, on a delivery versus payment method on the Settlement Date, which is expected to be Monday, October 26, 2015, subject to change without notice. **Only the Billing and Delivering Bank will be liable for the payment of the Purchase Price and Accrued Interest for Old Bonds validly tendered and accepted. Uruguay will not be liable under any circumstances for the payment of the Purchase Price and Accrued Interest for any Old Bonds tendered in the Offer by any holder.**

If you hold Old Bonds through DTC, they must be delivered to any of the Dealer Managers for settlement no later than 3:00 p.m., New York time, on the Settlement Date. If you hold Old Bonds through Euroclear or Clearstream, the latest process you can use to deliver your Old Bonds to the Billing and Delivering Bank is the overnight process, one day prior to the Settlement Date; you may not use the optional daylight process.

Failure to deliver Old Bonds on time may result in (i) the cancellation of your tender and in you becoming liable for any damages resulting from that failure, and (ii) in the case of Preferred Tenders, cancellation of any allocation of New Bonds in the New Bonds Offering in respect of your related Indication of Interest.

Payments for Old Bonds purchased pursuant to the Offer will be made in same day funds. The amount of cash you receive will be rounded to the nearest cent (US\$0.01). The determination by the Dealer Managers of any calculation or quotation made with respect to the Offer shall be conclusive and binding on you, absent manifest error.

Conditions to the Offer

Uruguay reserves the right, in its sole discretion, to instruct the Billing and Delivering Bank not to accept any Tender Orders, or to accept Tender Orders as to one or more series of Old Bonds but not other series, for any reason. In addition, notwithstanding any other provisions of the Offer, the Offer is conditioned upon there not having been threatened, instituted or pending any action or proceeding before any court or governmental, regulatory or administrative body that: (1) makes or seeks to make illegal the purchase of Old Bonds pursuant to the Offer; (2) would or might result in a delay in, or restrict, the ability of Uruguay to purchase the Old Bonds from the Billing and Delivering Bank or issue the New Bonds; or (3) imposes or seeks to impose limitations on the ability of Uruguay to issue and/or price the New Bonds in an amount, with pricing and on terms and conditions acceptable to Uruguay.

The Offer is also conditioned upon the pricing of the New Bonds Offering, including in an amount, with pricing and on terms and conditions acceptable to Uruguay, and upon the underwriting agreement for the New Bonds Offering and the Dealer Manager Agreement relating to this Offer not having been terminated prior to or at the time of the settlement of the Offer. Each of the foregoing conditions is for the sole benefit of Uruguay and may only be waived by Uruguay, in whole or in part, at any time and from time to time, in its discretion except that Uruguay can only waive the condition relating to the termination of the underwriting agreement for the New Bonds Offering and the termination of the Dealer Manager Agreement relating to this Offer with the prior consent of the Billing and Delivering Bank. Any determination by Uruguay concerning the conditions set forth above (including whether or not any such condition has been satisfied or waived, except as in the case of the termination of the underwriting agreement for the New Bonds Offering and the Dealer Manager Agreement relating to this Offer) will be final and binding upon the Billing and Delivering Bank and all other parties. The Billing and Delivering Bank will not be liable for the payment for any Old Bonds pursuant to the Offer if the Dealer Manager Agreement relating to this Offer or the underwriting agreement for the New Bonds Offering shall have been terminated prior to or at the time of the settlement of the Offer.

Market for the Old Bonds

Uruguay intends to cancel the Old Bonds it acquires from the Billing and Delivering Bank following completion of the Offer. Accordingly, this transaction will reduce the aggregate principal amount of such Old Bonds that otherwise might trade in the market, which could adversely affect the liquidity and market value of the remaining Old Bonds that Uruguay does not acquire.

Communications

Information about the Offer will be published, to the extent provided in this Offer Document, by means of press releases to an international news service in accordance with applicable law.

Without limiting the manner in which such public announcement may be made, Uruguay shall not have any obligation to publish, advertise or otherwise communicate such public announcement other than to PRNewswire (or another appropriate international news service).

Holders may obtain information about the Offer by contacting the Dealer Managers or the Information Agent at the addresses and telephone numbers listed on the inside back cover of this Offer Document.

Certain Other Matters

Each proper acceptance of the Old Bonds will constitute your binding agreement (as tendering holder of such Old Bond) to settle the trade on the Settlement Date. The acceptance of the Offer by you with respect to any Old Bonds will constitute the agreement by you to deliver good and marketable title to such Old Bonds on the Settlement Date free and clear of all liens, charges, claims, encumbrances, interests and restrictions of any kind. All tenders of Old Bonds will settle in accordance with customary brokerage practices for Uruguay's fixed income securities on the Settlement Date, subject to the conditions of the Offer. If you hold Old Bonds through DTC, they must be delivered to any of the Dealer Managers for settlement no later than 3:00 p.m., New York time, on the Settlement Date. If you hold Bonds through Euroclear or Clearstream, the latest process you can use to deliver your Bonds to the Billing and Delivering Bank is the overnight process, one day prior to the Settlement Date; you may not use the optional daylight process. Failure to deliver Old Bonds on time may result (i) in the cancellation of your tender and in you becoming liable for any damages resulting from that failure, and (ii) in the case of Preferred Tenders, cancellation of any allocation of New Bonds in the New Bonds Offering in respect of your related Indication of Interest.

All questions as to the validity, form and eligibility (including time of receipt), any acceptance of the Offer and any sale pursuant thereto will be determined by Uruguay, in its sole discretion, which determination shall be final and binding. Uruguay reserves the absolute right, in its sole discretion, to reject any and all acceptances and sales not in proper form or for which the corresponding agreement to purchase, in its opinion, would be unlawful. Uruguay also reserves the right to waive any defects, irregularities or conditions in acceptances and settlement with regard to any particular Old Bonds.

None of Uruguay, the Dealer Managers, the Billing and Delivering Bank, the Information Agent or any other person will be under any duty to give notice to accepting or selling holders of Old Bonds of any defects or irregularities in acceptances or sales, nor shall any of them incur any liability for failure to give such notice.

The determination by Uruguay of any calculation or quotation made with respect to the Offer shall be conclusive and binding on all holders, absent manifest error.

TAXATION

General

A tender of Old Bonds pursuant to this Offer Document may be a taxable transaction under the laws applicable to a holder of Old Bonds. You should consult your own tax advisors to determine the particular tax consequences that apply to you in respect of the sale of Old Bonds.

Uruguayan Income Tax Consequences Associated with the Old Bonds

The following discussion summarizes certain aspects of Uruguayan income taxation that may be relevant to you if you are a Non-Resident Holder of the Old Bonds. For the purposes of this summary, you are a Non-Resident Holder if you are a holder of Old Bonds who is an individual that is a non-resident of Uruguay or a legal entity that is neither organized in, nor maintains a permanent establishment in Uruguay. This summary may also be relevant to you if you are a Non-Resident Holder of Old Bonds in connection with the holding and disposition of such Old Bonds. The summary is based on Uruguayan laws, rules and regulations now in effect, all of which may change. This summary is not intended to constitute a complete analysis of the income tax consequences under Uruguayan law of the receipt, ownership or disposition of the Old Bonds, in each case if you are a non-resident of Uruguay, nor to describe any of the tax consequences that may be applicable to you if you are a resident of Uruguay.

Under Uruguayan law, as currently in effect, if you are a Non-Resident Holder of Old Bonds, interest and principal payments on the Old Bonds will not be subject to Uruguayan income or withholding tax. If you are a Non-Resident Holder and you obtain capital gains resulting from any trades of Old Bonds effected between or in respect of accounts maintained by or on behalf of you, you will not be subject to Uruguayan income or other Uruguayan taxes where you have no connection with Uruguay other than as a holder of an interest in Old Bonds. If you are a Non-Resident Holder, payments of interest and principal on Old Bonds to you, and any gain realized upon the disposition of bonds by you, will not be subject to Uruguayan taxes.

U.S. Federal Income Taxation

The following is a summary of certain U.S. federal income tax consequences of the Offer that may be relevant to you if you are a beneficial owner of Old Bonds that is a citizen or resident of the United States or a domestic corporation or otherwise subject to U.S. federal income tax on a net income basis in respect of the Old Bonds (a "U.S. Holder"). This summary is based on the Code, Treasury regulations promulgated thereunder, and administrative and judicial interpretations thereof, as of the date hereof, all of which are subject to change, possibly on a retroactive basis. The discussion does not deal with special classes of holders, such as dealers in securities or currencies, banks, financial institutions, insurance companies, tax-exempt organizations, entities classified as partnerships and the partners therein, persons holding Old Bonds as a position in a "straddle" or conversion transaction, or as part of a "synthetic security" or other integrated financial transaction or persons that have a functional currency other than the U.S. dollar. Further, it does not address the alternative minimum tax, the Medicare tax on net investment income or other aspects of United States federal, state or local taxation that may be relevant to a holder in light of such holder's particular circumstances. This discussion assumes that you hold the Old Bonds as "capital assets" within the meaning of Section 1221 of the Internal Revenue Code of 1986, as amended (the "Code").

Sales of Old Bonds

Sales of Old Bonds pursuant to the Offer generally will be taxable transactions for U.S. federal income tax purposes. Subject to the discussion of the market discount rules set forth below, you will recognize capital gain or loss in an amount equal to the difference between the amount of cash you receive (other than amounts received attributable to accrued interest, which will be taxed as such) and your adjusted tax basis in the Old Bonds sold at the time of sale. Your adjusted tax basis in an Old Bond generally will equal the amount you paid for the Old Bond, reduced by any premium you have previously amortized and increased by the amount of any market discount that you have elected to include in income currently as it accrues (as described below). Any such gain or loss will be long-term capital gain or loss if you have held the Old Bonds for more than one year on the date of the sale. Special issues may apply to the sale of 2022 Bonds, 2024 Bonds and 2025 Bonds pursuant to the Offer in the case of a New Requestor that purchases New Bonds pursuant to the New Bonds Offering, as described below.

In general, market discount is the excess, if any, of the principal amount of an Old Bond over your tax basis therein at the time of the acquisition, unless the amount of the excess is less than a specified *de minimis* amount, in which case market discount is considered to be zero. If you acquired the Old Bonds with market discount, any gain you realize pursuant to the sale of Old Bonds will be treated as ordinary income to the extent of the portion of the market discount that has accrued while you held the Old Bonds, unless you have elected to include market discount in income currently as it accrues.

Gain or loss recognized pursuant to the Offer generally will be treated as U.S.-source income or loss for U.S. foreign tax credit purposes. Accrued interest income with respect to the Old Bonds that is treated as paid as a result of the Offer will constitute income from sources outside the United States, and for U.S. foreign tax credit purposes such income should generally constitute “passive category income.” The rules governing the U.S. foreign tax credit are complex, and each U.S. Holder is urged to consult its own tax advisor regarding the application of the rules to its particular circumstances.

If you purchase New Bonds pursuant to the New Bonds Offering, you should consult your tax advisor to determine whether your sale of Old Bonds pursuant to the Offer and your subsequent purchase of New Bonds pursuant to the New Bonds Offering could be characterized as an exchange for U.S. federal income tax purposes. If the sale and purchase were treated as a taxable exchange, the amount realized on the disposition of the Old Bonds and the issue price of the New Bonds may be equal to the fair market value of the New Bonds on the date of the exchange. Accordingly, it is possible that you would recognize gain or loss in an amount different from the amount described above, and that the New Bonds would be treated as issued with original issue discount, although it is anticipated that any such discount would be *de minimis*. If, in the case of the sale of 2022 Bonds, 2024 Bonds and 2025 Bonds pursuant to the Offer and the subsequent purchase of New Bonds pursuant to the New Bonds Offering, the sale and purchase were treated as a non-taxable exchange, the issue price of such New Bonds acquired would be determined by reference to the issue price of the 2022 Bonds, 2024 Bonds and 2025 Bonds, respectively, sold pursuant to the Offer. As a result, the stated redemption price at maturity of such New Bonds would exceed the adjusted issue price of such New Bonds. Accordingly, such New Bonds would have original issue discount for U.S. federal tax purposes, and you would be subject to special rules that require you to include original issue discount in ordinary income as it accrues, prior to receiving cash attributable to such income. If you sell Old Bonds pursuant to the Offer and purchase New Bonds pursuant to the New Bonds Offering, you should consult your tax advisor regarding the consequences of such sales and purchases.

Uruguay intends to take the position that the sale of Old Bonds pursuant to the Offer is treated as a taxable sale, and not as an exchange, for U.S. federal income tax purposes. As described above, under this treatment, if you dispose of Old Bonds pursuant to the Offer for an amount that exceeds the basis of the Old Bonds, you would recognize gain at the time of the disposition.

Information Reporting and Backup Withholding

You may be subject to information reporting and backup withholding unless (i) you are a corporation or come within certain other exempt categories and demonstrate this fact or (ii) you provide a correct taxpayer identification number, certify as to no loss of exemption from backup withholding and otherwise comply with applicable requirements of the backup withholding rules. The amount of any backup withholding from the Offer will be allowed as a credit against your U.S. federal income tax liability and may entitle you to a refund, provided that the required information is furnished to the IRS in a timely manner.

DEALER MANAGERS, BILLING AND DELIVERING BANK AND INFORMATION AGENT

Uruguay has entered into a dealer manager agreement with Citigroup Global Markets Inc., HSBC Securities (USA) Inc. or Itau BBA USA Securities, Inc. to act as Dealer Managers for the Offer, and HSBC Securities (USA) Inc. to act as Billing and Delivering Bank for the Offer. Pursuant to the dealer manager agreement, Uruguay has:

- retained the Dealer Managers to act, directly or through affiliates, as the dealer managers in connection with the Offer;
- retained the Billing and Delivering Bank to act as the billing and delivering bank in connection with the Offer;
- agreed to reimburse the Dealer Managers for certain expenses in connection with the Offer; and
- agreed to indemnify the Dealer Managers and the Billing and Delivering Bank against certain liabilities and expenses in connection with the Offer, including liabilities under the U.S. Securities Act of 1933, as amended. The dealer manager agreement contains various other representations, warranties, covenants and conditions customary for agreements of this sort.

Global Bondholder Services Corporation will act as Information Agent in connection with the Offer. Global Bondholder Services Corporation's New York address is 65 Broadway – Suite 404, New York, NY 10006. The Information Agent will be paid customary fees for its services in connection with the Offer.

Each of the Dealer Managers is participating as an underwriter in connection with the New Bonds Offering and each of the Dealer Managers has provided and may continue to provide certain investment banking services to Uruguay for which they have received and may receive compensation that is customary for services of such nature. The Dealer Managers may trade, or hold a long or short position in, the Old Bonds, the New Bonds or other debt securities or related derivatives of Uruguay for their own accounts or for the accounts of their customers at any given time, and the Dealer Managers may participate in the Offer by submitting tenders on their own behalf or by submitting tenders on behalf of clients. The Billing and Delivering Bank has agreed to sell the Old Bonds purchased pursuant to the Offer to Uruguay on the first business day following the settlement of the Offer and Uruguay has agreed to purchase such Old Bonds at the Purchase Price paid by the Billing and Delivering Bank pursuant to the Offer plus accrued and unpaid interest therein from and including the last interest payment date for such Old Bonds to but not including the date of such transfer, provided that Uruguay will not have any obligation to purchase Old Bonds if the New Bonds Offering has not settled on or prior to such date.

Some of the Dealer Managers and their affiliates have engaged in, and may in the future engage in, investment banking and other commercial dealings in the ordinary course of business with Uruguay. They have received, or may in the future receive, customary fees and commissions for these transactions.

In addition, in the ordinary course of their business activities, the Dealer Managers and their affiliates may make or hold a broad array of investments and actively trade debt securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of Uruguay. If any of the Dealer Managers or their affiliates have a lending relationship with Uruguay, certain of those Dealer Managers or their affiliates routinely hedge, and certain others of those Dealer Managers may hedge, their credit exposure to Uruguay consistent with their customary risk management policies. Typically, such Dealer Managers and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in Uruguay's securities, including potentially the New Bonds. Any such short positions could adversely affect future trading prices of the New Bonds. The Dealer Managers and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

In connection with the Offer, Uruguay may solicit, or cause to be solicited, tenders by use of postal services, personally or by telephone, electronic mail, facsimile, telegram or other similar methods.

The Dealer Managers have agreed to pay for certain expenses in connection with the Offer.

None of the Dealer Managers, the Billing and Delivering Bank, the Information Agent, the clearing systems or any of their respective directors, employees or affiliates assumes any responsibility for the accuracy or completeness of the information concerning the Offer or Uruguay contained or incorporated by reference herein or for any failure by Uruguay to disclose events that may have occurred and may affect the significance or accuracy of such information.
