

REPUBLIC OF URUGUAY – ANNOUNCEMENT OF TENDER OFFER RESULTS

FOR IMMEDIATE RELEASE

Friday, February 7, 2025

MONTEVIDEO, URUGUAY —

The Republic of Uruguay (“Uruguay”) previously announced an offer to purchase for cash (the “Tender Offer”) its bonds of each series of Global Bonds listed in the table below (collectively, the “Old Bonds” and each Old Bond, a “series” of Old Bonds), subject to the terms and conditions contained in the Offer to Purchase, dated Thursday, February 6, 2025 (the “Offer to Purchase”). Uruguay has instructed J.P. Morgan Securities LLC (in such capacity, the “Billing and Delivery Bank”), to accept subject to proration and other terms and conditions contained in the Offer to Purchase, valid preferred tenders and non-preferred tenders in aggregate principal amounts of Old Bonds per series as set forth below.

The Tender Offer expired, as scheduled, on Thursday, February 6, 2025, at 12:00 noon New York time for non-preferred tenders and at 2:00 p.m. New York time for preferred tenders.

The maximum purchase amount is (i) US\$108,136,714 principal amount for the 2027 USD Bonds (as defined below) and (ii) US\$195,496,834 principal amount for the 2031 USD Bonds (as defined below). Since the aggregate purchase price of all preferred tenders for the 2027 USD Bonds does not exceed the maximum purchase amount, all preferred tenders of such series validly tendered pursuant to the Tender Offer have been accepted for purchase, and, accordingly, there will be no proration among the preferred tenders of such series. Since the aggregate purchase price of all preferred tenders for the 2031 USD Bonds exceeds the maximum purchase amount for such series, such preferred tenders will be subject to proration based on a proration factor of 64.54%, so that the aggregate purchase price of all tender orders validly tendered pursuant to the Tender Offer and accepted by the Republic does not exceed the maximum purchase amount. No non-preferred tenders have been accepted.

The aggregate principal amount of preferred and non-preferred tenders of Old Bonds and the aggregate principal amount of preferred and non-preferred tenders of such Old Bonds that have been accepted are shown in the table below. Appropriate adjustments will be made so that purchases are made in the minimum denominations set forth in the Offer to Purchase.

<u>Old Bonds</u>	<u>Aggregate Principal Amount of Preferred Tenders</u>	<u>Aggregate Principal Amount of Preferred Tenders Accepted</u>	<u>Aggregate Principal Amount of Non-Preferred Tenders</u>	<u>Aggregate Principal Amount of Non-Preferred Tenders Accepted</u>

In accordance with the Offer to Purchase, the purchase price to be paid per US\$1,000 principal amount of the 2027 USD Bonds and 2031 USD Bonds tendered and accepted pursuant to the Tender Offer will be equal to the fixed price indicated in the table below.

<u>Old Bonds</u>	<u>Outstanding Nominal Principal Amount as of Wednesday, February 5, 2025</u>	<u>ISIN</u>	<u>CUSIP</u>	<u>Common Code</u>	<u>Nominal Purchase Price (per Ps.1,000 Principal Amount)⁽¹⁾</u>

⁽¹⁾ In addition, investors will receive Accrued Interest, as described below.

Holders of Old Bonds held through the Depository Trust Company (“DTC”) that have been validly tendered and accepted pursuant to the Tender Offer must deliver their accepted Old Bonds to the relevant Dealer Manager (as defined below) no later than 3:00 p.m., New York time, on the Settlement Date. Holders of Old Bonds held through Euroclear Bank SA/NV (“Euroclear”) or Clearstream Banking, société anonyme (“Clearstream”) that have been validly tendered and accepted pursuant to the Tender Offer must deliver their Old Bonds to the Billing and Delivery Bank, at the latest, using the overnight process, one day prior to the Settlement Date and must not use the optional daylight process. The Settlement Date is expected to occur on Tuesday, February 11, 2025, subject to the terms and conditions set forth in the Offer to Purchase.

Failure to deliver Old Bonds on time may result (i) in the cancellation of your tender and in you becoming liable for any damages resulting from that failure, (ii) in the case of preferred tenders (a) in the cancellation of any allocation of Uruguay’s new Global USD Bonds maturing in 2037 (the “New Bonds”) in the New Bonds Offering (as defined below) in respect of your related indication of interest and/or (b) in the cancellation of your tender and in your remaining obligated to purchase your allocation of New Bonds in respect of your related indication of interest and/or (iii) in the delivery of a buy-in notice for the purchase of such Old Bonds, executed

in accordance with customary brokerage practices for corporate fixed income securities. Any holder whose tender is cancelled will not receive the purchase price or accrued interest.

All Old Bonds that are tendered pursuant to tender orders placed through a Dealer Manager and are accepted as instructed by Uruguay will be purchased by the Billing and Delivery Bank in such amounts as Uruguay shall determine and subject to the terms and conditions of the Offer to Purchase. Subject to the terms and conditions of the Offer to Purchase, only the Billing and Delivery Bank will be liable for the payment of the purchase price and accrued interest for Old Bonds validly tendered and accepted by Uruguay as described in the Offer to Purchase. Uruguay will not be liable under any circumstances for the payment of the purchase price and accrued interest for any Old Bonds tendered in the Tender Offer by any holder. The Billing and Delivery Bank shall only have the obligation to sell to Uruguay the Old Bonds validly tendered and accepted for purchase that the Billing and Delivery Bank has actually purchased pursuant to the Tender Offer on the Settlement Date. Tender orders that are not for permitted tender amounts have not been accepted.

Subject to the conditions to settlement of the Tender Offer, Old Bonds accepted for purchase will be settled on a delivery versus payment basis solely with the Billing and Delivery Bank on the Settlement Date, in accordance with customary brokerage practices for corporate fixed income securities.

Uruguay has agreed to apply a portion of the net proceeds of its new bonds offering announced on Thursday, February 6, 2025 (the “New Bonds Offering”) to purchase the Old Bonds accepted pursuant to the Tender Offer from the Billing and Delivery Bank at the applicable purchase price plus accrued interest in accordance with the Offer to Purchase. The Tender Offer is subject to the underwriting agreement relating to the New Bonds Offering and the dealer manager agreement relating to this Tender Offer not being terminated prior to or at the time of the settlement of the Tender Offer. BBVA Securities Inc., Citigroup Global Markets Inc. and J.P. Morgan Securities LLC acted as Dealer Managers for the Tender Offer. Morrow Sodali International LLC, trading as Sodali & Co, is the information agent in connection with the Tender Offer (“Information Agent”), and questions regarding the Tender Offer may be directed to the Information Agent or any of the Dealer Managers using the contact information below:
